

## EMERGENCY FUNDRAISER

*Dorchester Youth Collaborative Needs Your Help!*

Over the past three weeks through the kindness of the public, substantial funds were raised for the Dorchester Youth Collaborative. We still have a way to go. With your assistance, DYC will continue our 35 year legacy of reducing fears and increasing the hopes of urban youth. DYC is embarking on a plan which will reduce some costs and update our programs to meet the needs of the community. Please join us for an evening of fun to support DYC, the spirit of our city and the positive development of our youth.
